MAYES' WOOD AND ALUMINUM LEVELS

FULLY GUARANTEED

Only skilled labor and the best of materials are used in the manufacture of MAYES' LEVELS. Every level carefully tested before leaving the factory.

Mr. Dealer, tell your Customer that MAYES have the greatest improved composition (Patent) the world has known. Vials are now set with a new composition which prevents loosening. Hard usage does not affect vials. Plaster Paris used in other levels will not stand jar or abuse. Buy MAYES' levels and grow with us.

The largest producing factory of its kind in the world. We advertise in Bricklayer, Mason, Plasterer, Carpenter, American Builder, Building Age, and the Plasterers magazines.
